Taking the Good News of Jesus everywhere!

What does real faith look like? Not the kind that works only when everything is going well, but the kind that shows up and stands strong when put to the test.

It looks like Abraham (Genesis 22) who, believing God, is willing to give his promised son, the only one he had, because God asked him, knowing that God is faithful and will keep all His promises. For God said to Abraham, (Genesis 17:4) *“As for Me, behold, My covenant is with you, and you shall be a father of many nations.”*

It looks like the widow who only had enough oil and flour for one more meal, yet she gave the last she had to the prophet Elijah because God gave her a promise. (1 Kings 17:14) *“For thus says the LORD God of Israel: ‘The bin of flour shall not be used up, nor shall the jar of oil run dry, until the day the LORD sends rain on the earth.’”*

Both of these people believed God’s promise and yet they both had their

faith tested. There are times in our lives, as we walk by faith, that we find ourselves in situations where our faith is put to the test - believing God’s promise, His Word. The Bible tells us that faith is the substance of things hoped for, the evidence of things not seen.

Not long ago, we were on our way to hold a Power Kyd outreach in a small community. We were told that it was a difficult place to minister, and that we probably wouldn’t have a very big turnout, and if we wanted to cancel it would be ok. We have ministered to both large and small groups; I don’t think you can always judge the impact of an event by the size of the crowd.

The day before we arrived we prayed and asked God to give us a key to reach the kids in this community. The word that came to my mind was “strawberries”. **Strawberries?** What are we supposed to do with strawberries? So we went to the grocery store and bought al-

most every strawberry they had.

Arriving in town and setting up our equipment for the six day outreach, we decided to serve dessert after every service - strawberry shortcake with whipped cream! I’m sure there were some kids there who initially came because they heard we were serving dessert, but the Spirit of the Lord really met us there and we had almost every child in town show up. Praise The Lord!

The amazing part was that, after sharing the Gospel, we gave an invitation to come forward and receive Christ. The front of the church was too small to hold them all. Wow! If God can use a young shepherd boy to take down a giant with a simple rock, He can also use a **strawberry** to reach a heart for Jesus! Let’s walk in faith!

Mike

Trusting God in Everything

We saw God do incredible things last year as we spent a month in Alaska, ministering in four different communities. The reason we were able to make the trip is because God provided financial support from generous donors in advance. This was SO important, because we were working with churches who didn’t have the financial resources to bring in evangelists.

This year, we are taking *another step of faith* as we leave our part-time income as children’s pastors in order to be free to travel and accept invitations to speak in churches as God provides opportunities.

Would you prayerfully consider supporting Affect Eternity Ministries on an ongoing basis, partnering with us to reach people for Christ?

Never be afraid
to trust
an unknown future
to a known God.

- Corrie ten Boom

We often see the greatest impact in the smallest communities who aren't always able to cover the expenses of travel alone. This is where you can help! We are looking for partners to support this ministry on an ongoing basis.

We are also expanding the methods of outreach this year to include adult/family services, evangelistic broadcasting for children, training for workers, and creating curriculum for churches to use, along with continuing Power Kyd Live outreaches.

You can partner with us through:

- prayer
- financial support
- sharing our ministry with others

Ministry often happens when you least expect it!

Last summer, we were able to feed and talk with homeless men on a couple of occasions. The end result was getting to pray with both of them and leading one young man to Christ!

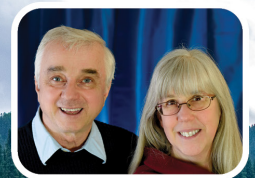

So, don't be surprised when God chooses to use you in unlikely places!

“ Mike & Colleen.....partnered with us in reaching out to the children of a nearby Native American community. With over one hundred people attending a Christmas outreach, we were able to witness many children giving their lives to Jesus Christ, including several parents.”
