Taking the Good News of Jesus everywhere! Restoration, Healing, and a Spiritual Awakening

We are truly ministering outside the box this year!

At the beginning of the year, the Lord showed us that we were to pray like Daniel (Dan. 10:12): to humble ourselves before the Lord and pray for understanding. We knew that this year would be like no other; but we, like you, had no idea what the next few months would look like!

It's a unique time in American history as we witness an economic downturn with record unemployment, and levels of stress and fear bringing many to the breaking point.

This is a unique opportunity for the Church to rise up and stand in our God-given authority and speak a powerful message to the nation.

If My people who are called by My name will humble themselves, and pray and seek My face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land.

2 Chronicles 7:14

"If my people". There's a promise that God gives us and it's dependent upon the people of God - not society or political parties - a promise to the child of God, the Church.

God promises that if we do these four things,

- 1) Humble ourselves
- 2) Pray
- 3) Seek His face
- 4) Turn from our wicked ways

He will heal our land. **What a powerful promise!**

It's very Biblical for the Christian to repent for the sins of the nation - sins they didn't personally commit - unbelief, prayerlessness, abortion, the list goes on and on.

There's a precedent in Scripture (Neh. 1:1-2 and Dan. 9:20) where godly men humbled themselves before God and repented both of their sins and the sins of the nation.

The current state of affairs compels us, by the power of the Spirit, to take this Biblical mandate and make a difference.

God has changed our direction this year to **Pray Across Amerca**, traveling from West Coast to East Coast (Mike riding on a 10-speed bicycle), praying for repentance, humility, restoration, healing, and a spiritual awakening across our country. We will pray for people we meet along the way - hear their stories - pray over every state, and hopefully gain momentum to see a prayer movement sweep across our country.

We invite you to join us on this mighty, big adventure. Subscribe to our YouTube channels for testimonies on the road, devotionals, prayers across America, and frequent travel vlogs.

When God gets ready
to shake America,
God may choose a country
boy ... God may choose
the man that no one knows,
a little nobody,
to shake America
for Jesus Christ in this day,
and I pray that He would!
